DONATIONS OF LIFE INSURANCE, IRA'S OR OTHER PENSION/RETIREMENT PLANS

A will typically does not dispose of assets such as Life Insurance, IRA's or retirements and pension plans which are usually controlled by a beneficiary designation. A beneficiary designation is a contract between you and your insurance company or pension plan administrator to transfer the asset at your death to the person(s) or institution(s) you so designate usually at the time you establish the asset. To designate the Greenwood Wildcat Foundation as the beneficiary of such an asset, you should contact your insurance company or plan administrator and ask for a "change of beneficiary" form which you can complete and return to them. Please use the Tax ID number 82-3425275 in lieu of a social security number for our organization.
